Subject: Extension Request Conditionally Granted, West Valley Sand & Gravel, Inc., Daniels Canyon Pit, M0510008, Task ID# 1519, Wasatch County, Utah

Dear Mr. Lloyd:

On December 28, 2006 we received your phone call requesting a 60 day extension to furnish your response to the Division's initial review of your Large Mining Plan for your Daniels Canyon Pit. You have requested this extension because of the material encountered at the site; you will need to change your mine plan.

The Division conditionally grants your extension request, provided you immediately begin the process of co-naming or transferring the reclamation surety into the Divisions name. This may be initiated by contacting Beth Ericksen at (801) 538-5318 (bethericksen@utah.gov)

Thank you for your continued cooperation.

Sincerely,

Susan M. White
Mining Program Coordinator
Minerals Regulatory Program
